### **ENVIROSCHOOL SESSION ON NONPOINT SOURCE POLLUTION**

The Louisiana Department of Environmental Quality (LDEQ) is sponsoring free training sessions for communities, businesses, and other organizations that will give an understanding of NONPOINT SOURCE POLLUTION. This session will provide an overview of nonpoint source pollution, how LDEQ works to reduce it, who are the stakeholders, and what can citizens do to reduce nonpoint source pollution. Also, the session will provide information on education and outreach to the public. Are you familiar with nonpoint source pollution? If not, come to the session and learn more about it. Please register for one of the sessions below. Sessions are from 10 AM – 12 PM.
